- Travel and accommodation costs to get to/from Howmans Gap
- Alcoholic or non-alcoholic drinks
- Any additional snacks or food for highly specialised diets that we cannot cater for
- Snow gear such as jackets, overpants, snowshoe/poles & boots. These items are available for hire at Howmans Gap. Please notify us if you are likely to need any of this type of equipment

What to bring

CLOTHING

The masterclass is taking place in the snow season so you need to be prepared for extreme weather. It is essential that you bring gloves, thermal underwear, warm hat, scarf, waterproof/windproof outerwear and waterproof boots with good tread, snowshoes and poles plus. Additionally you will need skin and eye care protection. These suggestions are just to name a few, we highly recommend you look at the following website (https://www.snowholidays.com.au/Clothing_in_australian_alps.html) for more advice on being prepared.

EQUIPMENT

Sound equipment currently used to undertake field recording.
