GATEWAY is a sound performance that invites listeners to feel the ecological and social changes affecting the Kiewa Valley. It is made by little stories that describe the relations between people and their environment in the valley and its environs.

FREE – All welcome
Drinks and nibbles will be served

GATEWAY will be presented in the B-CSC's SUPER FIELD exhibition, happening at the RMIT DESIGN HUB, Melbourne.

Exhibition Dates
Friday December 8 to Saturday
February 17, 2018
